

Introduction to the 2019 Revision

The By-Laws were revised and the Policies and Procedures of Green Pastures Quarterly Meeting were compiled in 2019. The previous by-laws and policies had been revised in 1994. Following the laying down and sale of the Friends School in Detroit, Green Pastures Quarterly Meeting found itself in a period of transition, a time for redefining itself and its purpose. These policies reflect our current practices and thinking. Attempts were made to simplify language and streamline processes.

This work was completed by the Ad Hoc Committee for By-Laws and Policies and Procedures comprised of April Allison (Red Cedar), Susan Hartman (Ann Arbor), and Ann Sprague (Detroit).
